tried-and-true.com

A Garden for Foodies

Taste of the Season brings an exceptional array of unique, gourmet plants to your garden. Meant for those who are passionate about food, this line features products of amazing depth of flavour and extraordinary growing characteristics. Certified organic.

ASPABROC

BROCCOLINI

A hybrid of broccoli and gai-lan, this nutrient dense vegetable has tender stems that taste of sweet broccoli and asparagus. Very easy to grow and great for small space gardening.

BEETS

CHIOGGIOIA GUARDSMARK

This Italian heirloom has excellent vigour, uniformity, and bolt tolerance. The medium sized roots are deliciously sweet and have attractive bullseye interior. Excellent spring, summer, and fall performance.

BEETS

TOUCHSTONE GOLD

This heirloom is a hit at farmer's markets and restaurants. The large roots have outstanding golden orange colour and exceptionally sweet flavour. It is arguably the best yellow beet around!

CAULIFLOWER

CHEDDAR F1

This medium-sized cauliflower stands out with bright yellow-orange heads even after cooking. It contains up to 25% more beta-carotene than standard cauliflowers. Mild and sweet in flavour.

CUCUMBER

ADAM

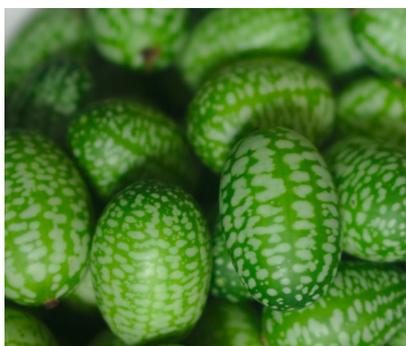

Adam is a high yielding variety of smooth skinned cucumbers. It produces straight and uniform fruit that have a mild, sweet flavour and a crisp texture.

CAULIFLOWER

GRAFFITI F1

This mid-sized cauliflower has eye-catching heads with smooth, bright purple curds. Won't lose colour after cooking! A dependable garden performer that is resistant to downy mildew and rainy climates.

CUCAMELON

MEXICAN SOUR GHERKIN

This Central American heirloom is a vigorous climber that produces an abundance of mini-watermelon-like fruits. The palm-sized treats taste like cucumber with a hint of citrus and are refreshing and crisp. Easy to grow.

LEMONGRASS

AROY

A flavourful tropical herb commonly used in Asian cuisines. The beautifully arching fountain of blue-green foliage provides a delicate floral, lemon and grass-like aroma. The stalks provide a complex flavour profile similar to lemon, ginger and mint to dishes.

CUCUMBER

CRYSTAL APPLE

This Aussie native is a prolific producer of large golf-ball sized fruits. Their attractive pale green exteriors contain crisp and tender flesh that has a sweet, mild flavour. Performs well in containers with support.

CUCUMBER

LEMON

This heirloom variety produces masses of small, round yellow fruit that resemble lemons. It is crunchy, and delicate flavour, often served raw or pickled.

PEPPER

GHOST

Recognized as one of the hottest chilis on earth, Ghost peppers grow brilliant red, wrinkled fruits on tall plant bodies. Likes hot and humid conditions. Extremely hot: 850,000 - 1,000,000 Scoville units.

KALE

RED RUSSIAN

This versatile, specialty kale dates back to pre-1885 and has been a favourite since. The purple-veined, dark green oak-type leaves are thick with a mild, sweet flavour suitable for cooking or eating raw. Excellent disease and weather tolerance.

KALETTES

This traditionally bred, non-gmo hybrid combines kale and brussels sprouts into a fresh new garden must-have. The small, kale-like florets have a sweet and mildly nutty flavour that is excellent in any cooking application.

OKRA

CLEMSON SPINELESS

One of the most popular okra on the market. This heirloom, AAS winner is a heavy producer of spineless, meaty, green pods that are full of flavour. The cream coloured flowers are also edible and provide a mild, sweet flavour. Thrives in the heat.

PEPPER

SRIRACHA

Sriracha is a large, firm pepper that has smooth skin and a thick wall. It has a long shelf life and a good heat.

SHISO

BRITTON (PERILLA)

A beautiful shiso variety with eye-catching green leaves and rich red undersides. The vibrant and refreshing flavour is similar to a mix of mint, basil and cinnamon. This aromatic herb is extremely versatile.

TOMATO

TOMACCIO

This gourmet, sweet raisin tomato was developed through years of traditional breeding using a wild Peruvian tomato species. It is a vigorous, high-yielding variety that bears clusters of super sweet fruit. Delicious fresh or dried.
