

Tried & True[®]

Organic Edibles
WWW.TRIED-AND-TRUE.COM

All Tried & True[®] Organic Edibles are free of synthetic chemicals and pesticides. Our varieties grow well, produce well, and taste great! Our 100% biodegradable pot is good for the environment, helps reduce transplant shock, and is made of all-natural materials which will enrich your soil.

From garden to table, it can't get any fresher.
