Stuffed Bitter Melon

- Also Known as also knows as Bitter Gourd, Balsam Pear, Ku Gua, Goya and Karela.
- 8 - 10" (20 - 25 cm) long fruits have bumpy pastel green skin, thick white pith and green flesh.
- Adds a unique taste to stir-fries and soups, but also prized for its medicinal qualities.
- Plant with trellis support in the warmest spot in the garden like a south-facing wall.

Stargazer Radish

Honey Snap II Peas

2021

Royal Snap II Peas

Colourful Mix Radish

Gorgeous watermelon-type radishes with crisp and juicy texture.

These pretty golden-yellow peas are good for smaller garden spaces.

Both the green peas and purple pods are edible – crisp and flavourful.

Their crisp zesty flavour is perfectly suited for salads, appetizers and garnishes.

Aspacroc F1 (Broccolini)

Holy Basil (Tulsi)

Prized in Hindu culture. Also known for its culinary and medicinal use. Used in teas and in Thai cuisine.

Chioggia Guardsmark Beets

Touchstone Gold Beets

Borage

Young cucumber-flavoured leaves are tasty in salads and drinks.

Red Fire F1 Sprouting Broccoli

Hardy variety. Produces lots of 6 - 8" (15-20 cm) florets.

Cheddar F1 Cauliflower

Medium-sized (2lbs) cauliflower variety that stands out.

Graffiti F1 Cauliflower

Vitaverde F1 Cauliflower

To eat well is to garden.

Similar appearance to miniature watermelons with distinct dark and light green stripes. Taste like cucumbers with refreshing citrus overtones.

Cucamelon (Mexican Sour Gherkin)

Adam F1 Cucumber

Lemon Cucumber

With bright colours, distinctive flavours and unique textures, our Taste of the Season organically grown Ediblossoms not only add stunning visual appeal, but also bring the flavour profile to the next level.

Old-fashioned favourite. Colourful blend of cream, orange, gold and yellow flowers that are semi-double to fully double.

Sunshine Mix Calendula

*Adds a
wintergreen
flavour to
salads and
desserts.*

Gourmet Mix Pansy

*Heirloom.
Flowers bloom
in profusion,
attracting
pollinators.
Spicy, clove-
like flavour
with a subtle
sweetness.*

Candy Mix Centaurea (Cornflower)

*Colourful blend of
rich paprika, gold and
yellow blooms. Lemon
verbena-like scent
and slightly spicy,
clove-like flavour.*

Gem Mix Marigold (Tagetes)

Stop and smell the rosé

Baby Rosé Nasturtium

Baby Rosé Nasturtium has petite 2" aromatic, rose coloured blooms. They have a mild subtle sweetness so the nasturtium flowers are perfect in desserts and salads. The dark-green foliage has a peppery flavour reminiscent of mustard or radish. Baby Rosé's compact mounding habit makes this unique nasturtium ideal for small garden spaces and containers.
